

## WHAT'S NEW

PS-001

### CROWN VERITY INTRODUCES THE NEW OUTDOOR PORTABLE STEAMER

The New Pro Steamer (PS-001) Is Designed To Steam Large Quantities Of Product In A Short Period Of Time While Cooking Outdoors.

The Pro Steamer Enables Foods To Keep Their Natural Flavor, Color, Shape, And Nutritious Value Better Than When Boiled Or Simmered In Water. It Also Enhances The Texture Of The Food Being Steamed.

#### STANDARD FEATURES

- Comes With A Large Stainless Steel Perforated Basket ( Ideal For Steaming Seafood, Shellfish, Vegetables, Hot Dogs, Etc.).
- Constructed Of 304 Stainless Steel To Prevent Rust And Corrosion.
- Comes With Two Large Wheels And Two Swivel Casters For Transportability.
- Also Includes A 65,000 BTU Burner, Drain Port With Ball Valve, And A Tank Holder For A Standard 20lb Propane Tank.

PRO STEAMER (PS-001) WILL BE IN PRODUCTION IN JANUARY

#### IDEAL FOR

Resorts, Hotels, Country Clubs, Colleges, Universities, Yacht Clubs, Theme Parks And Many Other Venues
